

To whom it may concern,

I am writing this letter as an athlete reference for Claire Mohan-Ram.

I have known and coached Claire since July 2021 and have twice been her state head coach at our National Championships in Australia. I have also been her individual batting coach for approximately six months since October 2022.

Claire is a tremendously hard-working athlete who has been a dedicated player to the State program. I have had the pleasure of watching her grow and develop from a talented U14 player to a competitive spin pitcher at the U16 National level. She has taken on the best in her age group in the country with determination. She continues to develop her pitches and overall athletic ability making her one to watch for the future. She was an integral part of our success in finishing fourth at the 2022 U16 Girls National Championship and improving to a competitive third at the 2023 U16 Girls National Championship.

Claire has shown her dedication to the sport especially over the past six months, engaging myself to aid her with her offensive skills in the aim of becoming a teammate who can contribute on all aspects of the game. She has also undertaken all training requirements of the State U16 program plus playing for two clubs in two separate associations to ensure she was well prepared for the National Competition.

Offensively, she was significantly improved her swing mechanics, bat speed and exit velocity over the past six months. She has also greatly improved her contact points and has become consistent in her output as hitter.

Overall, Claire is a fantastic athlete to coach but also a young person who displays integrity and maturity beyond her years. I have no hesitation in recommending Claire for any team/college program as she will be an asset as both an athlete and student.

I wish Claire good luck in all future endeavours and look forward to seeing her develop.

Kind regards,
Amanda 'Reggie' Fairley
