To Whom it May Concern,

I'm writing this letter in support of Molly Gill, who is currently a student of Warners Bay High School. She first enrolled as a year 8 student in 2020 and is now a current senior student in Year 11. Molly's current pattern of study includes Mathematics, Biology, Investigating Science, English, Personal Development and Physical Education, and Society and Culture.

Molly is a hard working and committed student who applies herself to all her academic domains. She continues to strive for excellence and consistently achieves high results. Since becoming a student at Warners Bay, Molly has achieved yearly Academic Awards for her core subjects. She has received the Principals Diligence Award in 2021 and 2022 at the end of year Academic Celebration Assemblies along with also receiving the Year Advisor Award.

Molly completed the Year 10 Record of School Achievement (ROSA) in 2022. She achieved outstanding grades that reflected her application and studious approach to her studies. Molly achieved the following grades;

English	A
History/Geography	A
PDHPE	A
Physical Activity and Sports Studies	A
Photographic and Digital Media	A
Mathematics	B
Science	B
Textiles and Design	B

Molly has also demonstrated her exceptional outstanding success and commitment within the sporting domain. Molly is an active participant within our school, zone and region school Athletics and Swimming with varying levels of success. Molly's most outstanding sporting success is within softball. Molly has represented the school region and achieved her highest achievement of school Combined High School State representation for Softball in the opens team division.

Molly also has achieved success in Softball outside of school. She has been a Newcastle Representative who was selected in the Girls under 16yrs team. More recently Molly has been selected in the Australian Squad.

Molly is a dedicated and driven student who always strives for personal best and continues to achieve in both the academic and sporting domains. Molly is a student who comes with the highest recommendations to be considered for a scholarship as both an academic and sporting student in a Division 1 school in America.

Yours sincerely,

Mr Marcus Neale
Principal
