To Whom it May Concern,

It is my great pleasure to recommend Molly Gill for a scholarship in a Division 1 College within America. I have known Molly Gill for four years and I have been delighted to guide Molly as her Year Advisor at Warners Bay High School. During this time, I have watched Molly grow into an outstanding individual who excels in both her academic and personal avenues.

As Molly's Year Advisor, I have witnessed her strong commitment and application to her studies. Molly has achieved and received the Year Advisors award, several Academic Achievement awards for all core subjects and has achieved the Principal's Diligence Award for the past two years

Molly's academic and citizen accomplishment are rivalled by her personal strengths. She possesses a maturity and dedication towards her secondary education that is far beyond her years. Molly is a student who has been recognised and admired by both her classmates and teachers. Molly has demonstrated her strength and determination to maintain her balance and remain grounded, despite her success in both the sporting and academic domains. Molly has been able to cope extremely well with the increased pressure placed on her from her rigorous academic pattern of study and commitment to compete in and outside of school, whilst achieving the highest levels within softball.

I strongly recommend Molly Gill as a student within your University program. I am confident that Molly will make an excellent addition to your student body and program. Please feel free to contact me if you have any questions regarding the character or past work ethic of Molly Gill.

Sincerely,

Emma Husband,

Year 11 Year Adviser

Warners Bay High School
